CLUB REGISTRAR

Important Notice all 55,56,57 Club members

With **HVRS & CVS** Concessional registration schemes

We have noticed lately that there have been quite a few members not addressing their renewal of RMS Permits for registration until they are close to or overdue.

It would be remiss of us not to let you know if you drive your car after the due date that you are driving an unlicensed vehicle and there for liable for a fine if you are caught.

The RMS sends out renewal notice's one month before the due date and a notice of cancelation one month after that date so the responsibility is all on the operator (Owner) of the vehicle the correct original form (HVRS 1259) or (CVS1835) these must be dated 2019.

You are encouraged to obtain your pink slip well before the due date of your registration and once done it has an expiry use by date of 42 days after the date of issue,

So, it makes sense that you get prepared early for the renewal. Once you receive the renewal notice proceed to get your pink slip ASAP.

This gives you time if there are any repairs are needed, then TYPE in the left side of your original Historic 1259 or for Classic vehicle 1835, with your renewal notice and make arrangements with our plate registrar for a suitable time for them to sign off and apply the club stamp and signature. Or make arrangements to see Aldo at our club meetings.

Aldo Mazzucco 0414 327 350, located Bexley registrar 3@chevclub.com.au

Once this is done for **Historic** vehicle's you now only have to go to the RMS with the 1259 form and the original pink slip and pay the due fee.

For **Classic Vehicle Scheme** you need to post the original 1835 form to the ACMC, or you can scan it and send it after its been filled in along with a copy of your pink slip (do not send the original pink slip you will need this when going to RMS to renew registration) and enclose a payment of \$30 by cheque or electronic transfer (no cash payment to be sent in post) to:

Attention the Secretary ACMC; Postal address; PO box 328, Seven Hills NSW 1730. Banking details **Account number 1042 9978 BSB 062-452** and wait for ACMC return mail it should take around 5-7 days. Please use your last name and our club name for reference and email proof to CVS@ACMC.asn.au. Or in person with Maggie by **APPOINTMENT ONLY - 0429 311 754**. We repeat (do not send the original pink slip you will need this when going to RMS to renew registration). Then go to the RMS and pay the due fee.

Thank you

Aldo Mazzucco

Legal Issues follow up

Following up from the last meeting

We had been initially contacted by a solicitor re Ben Lawson's Car. As a result, from the action taken by the club a few years ago the Car in question has been sold and the dealer who has purchased it has issues, as the club is still registered as the PPSR recipient. This means that the cars' title cannot **be Cleared** until the club releases the encumbrance. No current committee members have any knowledge of this action. Aldo to follow up with solicitors to get proof of any actions and

MINUTES

paperwork. Members discussed a Stat Dec to release the encumbrance. Then to inform the members. As a result, Aldo has followed up gaining information to sort the issues that need clearing, the PIN Number, Address for the initial PPSR etc. After the last meeting, Gary Wright was contacted and the discussion was not favorable in the first instance. No one has taken ownership of this process. Eventually Aldo had found out that a John Pickford was responsible and he had no recollection as to the process. Eventually he saw the light and has now rescinded the PPSR, after Aldo had made some very stern phone calls. In response the Secretary has written to the solicitor to inform them that the matter has been solved and that there is no cost to the club. Aldo has asked Gary Wright at this club meeting to come to the next committee meeting and explain what implications are for the club. GW stated that he had no intention of coming to a committee meeting.

After the meeting, The committee has decided to invite Gary Wright officially to attend. BJ has done so via email.

EDITOR'S NOTES

Hello Everyone,

Welcome to the '55,'56,'57 Chev Club of Australia Magazine.

This is our last magazine of the year before we break for Christmas.

I would like to thank everyone for your patience with the regularity of the magazines this year. The next edition will be published in February 2023 and will have a full coverage of Summernats and other special features!

In this edition we cover the Hot Rod & Harley Expo which was held in Woolongong. It was a two day show mainly for elite cars and bikes. Check out the story on pages 12-15.

Our Christmas Party was on December 12 at Enzo's Cucina at Rossmore. Pages 20-21 have all the 'deets'.

Just two days after the Christmas Party, we had our regular December club meeting. It was a smaller than usual turnout, but the BBQ was cranking with snags, onions and pork belly. We also had a few cool rides turnout for the night. Check out the pics on pages 18 & 19.

I was very humbled at the last meeting when my 14 y/o daughter Georgia was voted to be given a junior membership of the club. She has been by my side since the day I joined the club and has become a familiar face at club events and other car shows.

I would like everyone to note the changes in the administration and postal details for CVS registrations that have been updated on pages 4 and 22.

On **page 5** is our new QR code. It will be printed out for all future meetings and all members will be required to scan the barcode to attend the next meeting in February, 2023.

If you are needing to move your car, JK may have a recommendation. Mr Pace, you have some explaining to do!

All the best

Ben Marks

Hot Rod & Harley Expo

Paul Beck from Killer Rides organised and hosted a fantastic event over the November 11 weekend. With a limited number (60) of invited entrants, the Hot Rod & Harley Expo hosted a range of cars and bikes from Rattle trap racers, blown pro-streeters, to full tilt show only cars.

Les Lawry's 1920 Ford Victoria, built by Southern Rod & Custom was last on display here 20 years ago. With many people thinking its a new build, Les took out many awards including top gong for the show- Australia's Most Beautiful Hot Rod

Rebecca & Coralie Broadley were kind enough to bring out the late Jim Broadley's 1936 Auburn Speedster Boat Tail. This car has been in storage for the last 25 years.

Legend of the Australian car scene, Ben Gatt had his '40 Zephyr on display. This car was first unveiled 20 years ago and it still looks amazing. Ben was chosen by Coralie & Rebecca Broadley as this winner of the first Jim Broadley Memorial Trophy.

Wedding 'Bel Air'

I had the pleasure of being one of four red 1957 Chev's for a friend of a friends wedding. With Harley's as escorts, it was a cool sight to see as we covered over 120km on the day. The stand out part of the day was when we arrived at 'Camelot' near Camden. With it's manicured grounds there are almost endless photo locations.

December Club Meeting

It seems as though the rusty rat rod utes are multiplying down south. Michael Franke made the trek up from the 'gong' in the big red rig. With the dual rear wheels and slammed front end, this truck has a great stance. Colin Duffy also made the trip up in his newly completed build.

Adam brought out the '55 for the night. Aldo was also able to snap a few photos for club CVS records as is now required.

John Fenato seems to have a new favourite in this super clean C10.

John presented Georgia Marks with her first membership card. At just 14 years old, this makes her the youngest ever member of the club since it's formation. And the smile on her face still hasn't worn off

Christmas Party

We had a great day on offer to drive our cars to the Christmas Party. About 30 cars turned up and this allowed Aldo to continue to build the photos for the CVC registered cars.

Between the onslaught of great food, John made a short speech (which is unusual for John) and thanked everyone for coming. The raffle prizes were drawn and we all rolled out feeling like we would not need to eat for the next day. Enzo Cucinas have great food and a nice atmosphere and I think we will all look forward to going again next year.

HISTORIC AND CONDITIONAL (MODIFIED) REGISTRATION

HISTORIC AND CONDITIONAL (MODIFIED) REGISTRATION INCLUDING 60 DAY LOG BOOK

To be eligible for historic & conditional registration you must be a member of an RMS approved automotive car club such as ours. Membership of our club is \$80 per annum.

Historic and conditional registrations are both eligible for the 60 day log book trial. The trial allows you to drive your vehicle on 60 individual days at your own discretion. Club events and club sanction runs do not impact on the 60 day log book use.

Fees for concessional registration are set by the RMS & are currently \$51 for registration including green slip plus a once off payment of \$40 for new plates. Conditional registration also attracts an additional annual fee of \$30 to the ACMC.

Personalised plates need to be surrendered, transferred, or placed on hold; the latter attracts a holding fee & any other ongoing rental costs. It is hoped that the RMS may allow personalised plates with conditional registration sometime in the future.

Historic registration (H Plate) is essentially for vehicles 30 years or older that have not been modified, some consideration maybe allowed for manufacture/dealer approved accessories, Limited safety upgrades and unavailability of original parts. In our club registration requires an annual Pink Slip.

Conditional registration (D Plate) is also available for vehicles 30 years or older that have been modified. The RMS have issued a set of guidelines (VSI No.6) that address many examples of what modifications may or may not require certification by an RMS certified engineer. For example an engine capacity increase greater than 20% or a total wheel and tyre diameter increase by more than 7% would require certification. Modified vehicles that do not need certification must have a once off Blue Slip, than an annual Pink Slip. Vehicles requiring certification require an engineer's report confirming the current modifications plus a Blue Slip, than an annual Pink Slip.

Please refer to the overleaf flow chart for further guidance and feel free to contact our Plate Registrar for more information.

Kind Regards,

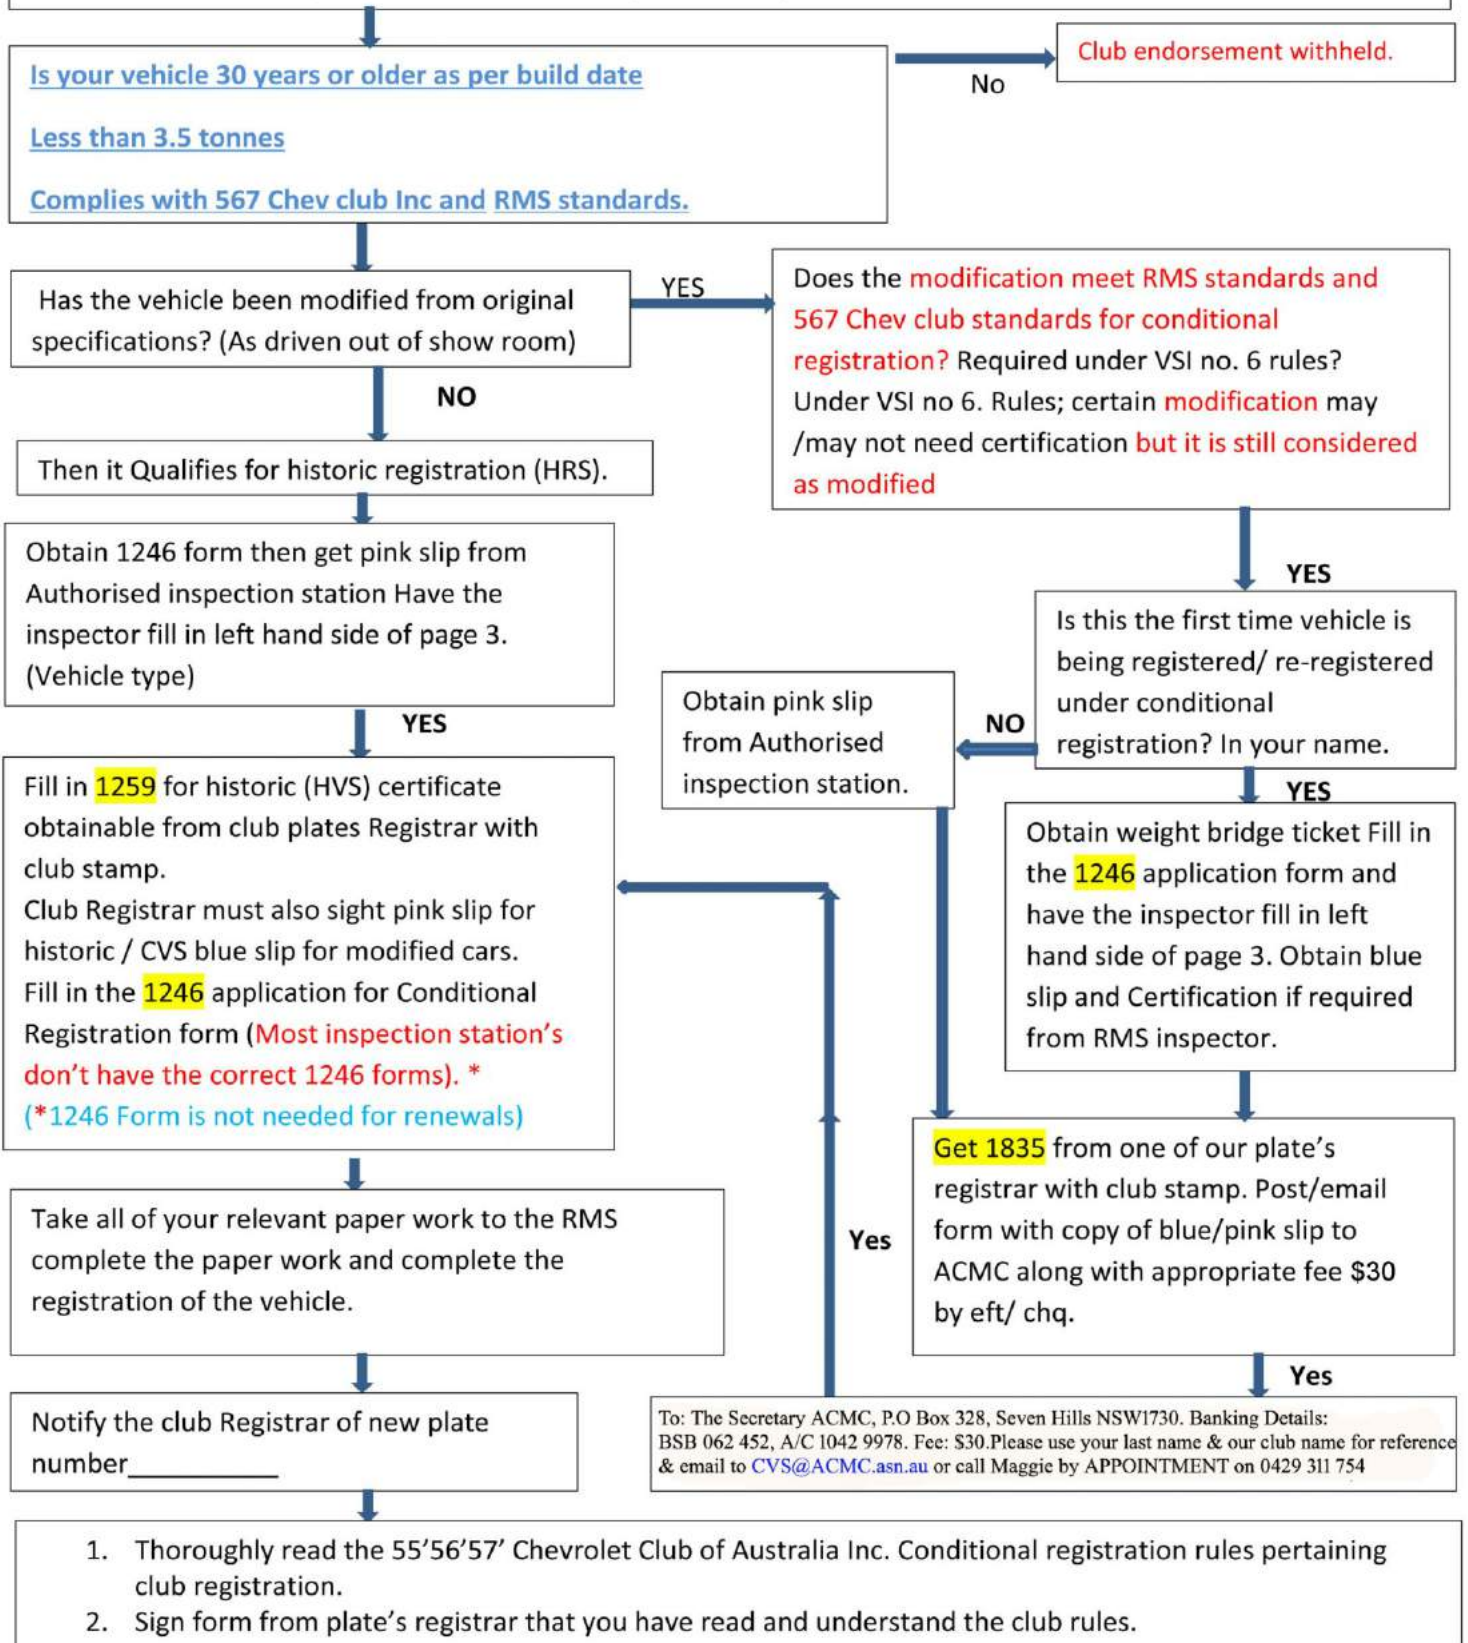

'55 '56 '57 Chevrolet Club of Australia.

The 55'56'57' Chevrolet Club Of Australia Inc. Process for conditional registration schemes

Regardless of whether you are renewing or applying for the first time for Historic or Classic vehicle registration before you proceed you must be a financial member of the Club, live in N.S.W. and hold current NSW drivers licence, the vehicle must be garaged in NSW

Thoroughly read all of the Roads and maritime services (RMS) rules pertaining to the conditional scheme to determine if your vehicle complies with their requirements that suit your vehicle check [RMS web site](#)
There are two conditional registration schemes that apply to our cars One is Historic vehicle scheme (HVS) Or two Classic vehicle scheme (CVS) vehicles must be 30 years old as per build date,
