# PRESIDENTS REPORT

Hi Members,

Time flies when you are having fun.

Don't be scared but this month is our Annual General Meeting. Please know that if you get nominated for any position you can kindly decline if you are not able or willing to take on the responsibility.

We went to MotorEx on the 21st to the 23rd of July and we had a total of 11 great cars on display plus a baby.

We would like to especially thank Peter Bryen again for all his hard work in setting up all the great props. The theme was a 50's and 60's Diner and Drive Inn, plus a Happy Birthday for the 57 Chev which is 60 years young.

I mentioned the baby and you all must be wondering what this is referring to. We had a Black 57 Coupe and a Black and White 57 Post, and in the middle of the two cars courtesy of John McCoy Lancaster was his Black with a White roof 57 Golf Cart. It drew so much attention by all the onlookers.

We would like to thank so very much John and Donna McCoy Lancaster for allowing us to use their new toy for the display which will also be at this years Camden Car Show.

The Camden Car Show is coming along great.

Please do not forget two things that are coming up soon - firstly next month we have our pie run to Bargo on the 17th of September and secondly we have our Christmas party on the 19th of November at Enzo's.

I require numbers ASAP if you would like to attend the Christmas Party. It is free for all members and their partners and for children under 12 years old.

Cheers

Regards

JOHN

# OUT 'N ABOUT:

Fiddler Show, Rouse Hill  
Sunday, 9Th July.

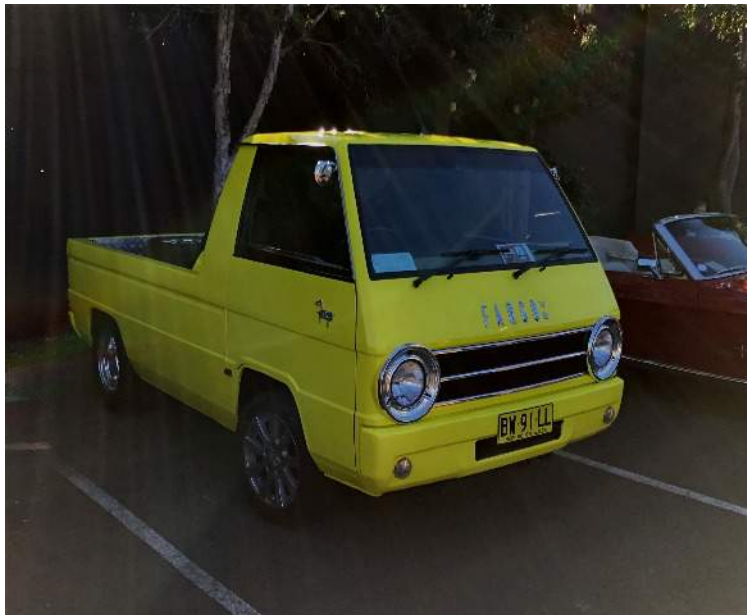

It was a georgous Sunday Winter day for a car show. My wing girl Georgia and I went to see some cool classic cars and hand out some Camden Car Show flyers at the same time. We were beaten to the task of handing out flyers thanks to club member Peter Bryen who was already set up with his immaculate '58 Chev on display. There were around 200 cars and a good show of bikes.

Our favourite car of the day was this little 'Fargo' ute (that used to be a van), complete with a 6.2lt LS3 with 317kw at the treads.

**MOTOR EX**  
**SYDNEY OLYMPIC PARK, 17-23 JULY 2017**

To say the least, what an awesome show !! There were so many new mind blowing 'Elite' cars unveiled at MotorEx 2017 it was like Christmas for cog heads. Peter Hinz with his '51 Chev Pickup (above) won best Street Machine in the 'Pinnacle' Awards and was also awarded in other categories. There were lots of other immaculate Tri Five's of all varieties out there too. John McCoy-Lancaster was on the microphone all weekend and kept the crowds of visitors up to date with all the going's on of the weekend. The trade hall was also packed to the brim with people all weekend checking out the latest goodies from the best suppliers in the country.

# '567 Chev Club Display

Continued

Above: 'Butch's' '57 coupe was lookin smik!

Right: And so was Brin's cool '57 Nomad

Left: It was a privilege for us to have John McCoy-Lancaster unveil his new '57 golf cart on our display. John had it custom made in Salt Lake City, Utah. It has custom bodywork and paint with airbrushed chrome, hand painted "Rat Fink" rear end by an authorised Ed Roth artist, and a upgraded (5-35hp) donk. It's almost complete with it's custom '57 seats, '57 dash trim and '57 wheel. So a Kicker sound system with sub-woofers (for large events) was added and it was on it's way here for MotorEx!

Right: It took a little encouragement, but John and Peter finally rose to the occasion, out of their chairs that is, to greet the 'ooh la la' girls from Eastern Creek Raceway.

Left: Joey's faithful convertible, decked out with LS motor, attracted lots of attention all weekend.

We would also like to thank the other club members with cars on display for their effort over the weekend.

The trade hall was packed with goodies from all of the aftermarket suppliers you could dream for. There were also lots of cool nick nac items available from the other trade stalls too.
