Important Notice all 55,56,57 Club members

With **HVRS & CVS** Concessional registration schemes

We have noticed lately that there have been quite a few members not addressing their renewal of RMS Permits for registration until they are close to or overdue.

It would be remiss of us not to let you know if you drive your car after the due date that you are driving an unlicensed vehicle and there for liable for a fine if you are caught.

The RMS sends out renewal notice's one month before the due date and a notice of cancelation one month after that date so the responsibility is all on the operator (Owner) of the vehicle the correct original form (HVRS 1259) or (CVS1835) these must be dated 2019.

You are encouraged to obtain your pink slip well before the due date of your registration and once done it has an expiry use by date of 42 days after the date of issue,

So, it makes sense that you get prepared early for the renewal. Once you receive the renewal notice proceed to get your pink slip ASAP.

This gives you time if there are any repairs are needed, then TYPE in the left side of your original Historic 1259 or for Classic vehicle 1835, with your renewal notice and make arrangements with one of our plate registrars for a suitable time for them to sign off and apply the club stamp and signature. Or make arrangements to see one of them at our club meetings.

Gary Wright 0409 55 56 57, located Camden registrar 1@chevclub.com.au

Ken Taylor 0403 510 439, located Padstow registrar 2@chevclub.com.au

Aldo Mazzucco 0414 327 350, located Bexley registrar 3@chevclub.com.au

Once this is done for **Historic** vehicle's you now only have to go to the RMS with the 1259 form and the original pink slip and pay the due fee.

For **Classic Vehicle Scheme** you need to post the original 1835 form to the ACMC, or you can scan it and send it after its been filled in along with a copy of your pink slip (do not send the original pink slip you will need this when going to RMS to renew registration) and enclose a payment of \$25 by cheque or electronic transfer (no cash payment to be sent in post) to.

Attention the Secretary ACMC ; Mr Terry Thompson; Postal address; PO box 419 Bexley 2207. Banking details **Account number 157 374 299 BSB 633-108** and wait for ACMC return mail it should take around 5-7 days. If you don't receive it within 10 days please contact the plate's registrar as the ACMC will not notify you if there is anything wrong.

We repeat (do not send the original pink slip you will need this when going to RMS to renew registration). Then go to the RMS and pay the due fee.

Thank you Gary Wright, Aldo Mazzucco and Ken Taylor Club Plate Registrars.

EDITORS NOTES

Hi Everyone,

Welcome to the June edition of our magazine.

Last month our club run was to the Corner Store Cafe at Bringelly road shops. The weather for the day was a treat and we had just over 20 members attend. The cafe was packed but handled the onslaught well. After a nice feed, and lots of stories told we made our way home by late morning.

This months run is on Sunday the 16th at Sweet & Savoury, Austral. Please see the 'Upcoming Events' page for details.

The new Camden Car Show Flyer has been updated with a few changes and the new date. So please start spreading the news.

If you have any news of upcoming car shows or events, please let me know so I can include them in the events page.

Until next month

Happy Cruising

OUR mates at Unique Cars have taken the plunge and are putting on their very first event at Sydney Motorsport Park, 2 June. The event is dubbed Rolling 30, as a nod to the rolling 30 year eligibility for historic rego in some states.

The event is open to any classic car aged 30 years or older and the concept could best be described as ‘cars and coffee on steroids’, with each entrant able to cruise the SMSP circuit at speeds of up to 100km/h.

You won’t need helmets or other special safety gear and you can take passengers too!

Skid fans, this is definitely not a Powercruise-style event – it is a relaxed, family day that provides classic car owners with the chance to stretch their steed’s legs in a safe environment.

There will be a show ‘n’ shine, race car demos around the track, trade stands and great coffee.

We’re expecting a killer mix of rides in attendance, including Aussie and US Muscle, heaps of Euro cars and some great JDM stuff. Check out the gallery of entrant cars for a taste.

When?

June 2, 2019 from 9:00am – 5:00pm

Where?

Sydney Motorsport Park, South Circuit and pit area

How much?

\$79 per car/entrant, plus an additional \$40 if you’d like to designate a second driver. Enter here

\$20 for spectators. You can book online or purchase tickets at the gate! Those under 12 get in free!

How much track time will I get?

10-15 minute track sessions will initially be broken up into pre-50s, 50s, 60s, 70s and 80s, and then into Japanese, European, American, Aussie, and British.

Open track from 3:00pm!

We’ll have racing cars on track throughout the day with passenger ride sessions!

How do I attend?

Spectators can purchase tickets at the gate, or online via EventBrite.

Meguiar's MotorEx 2019 goes off!

IF YOU rolled up to Meguiar's MotorEx as a spectator this year, you most certainly wouldn't have gone away disappointed. MotorEx has long been the most prestigious indoor show on the Aussie calendar, but each and every year it becomes more and more dynamic, whilst managing to appeal to a broader base of car enthusiasts. The country's greatest show cars remained the star attraction, but with drag and burnout car start-ups, drift demonstrations and 1000hp monsters aplenty on the MPW dyno, MotorEx offered something to engage all the senses.

On a personal note, the Street Machine team was all hands on deck, with our Hall of Fame and Drag Challenge displays, a trade stand overflowing with hot new merch, and our popular Carnage Live activation, which saw Scotty upgrade Mr Dodgey's 440ci Mopar with an Edelbrock cam and heads package, and Broads bolt a Harrop TVS 2300 blower to the injected five-litre Holden in his LC GTR Torana.

Full results are not yet at hand, but what we can tell you is that Jack Zee took out the coveted Grand Master title with his impeccable 1938 Ford E83 Fordson van, which debuted at last year's event.

There was a massive contingent of unveiled rides, including Travis Fink's jaw-dropping T1FNCO '55 F100, boasting twin-turbo 400ci Chev, and a simply exquisite level of detail. More on the other unveiled cars soon!

On a Superstars front, the winners and grinders in the Super Six were as follows:

NSW HOTROD AND CUSTOM AUTO · EXPO SYDNEY

The Hot Rod & Custom Auto Expo at Rose Hill was another successful weekend for everyone involved. The entrant numbers, the weather and the constant flow of people were in high numbers and was great to see. We had two club members exhibit, Charlie Pace and John Keogh. Charlie unveiled an airbrushed portrait as a tribute to his late wife Jane. His car looked fantastic as usual, and for the fifth year in a row, he was rewarded with a trophy for Top Convertible for the show.

It was John Keogh's first showing of his car at this show. His car looked amazing and there were lots of nice comments from bystanders. He also 'fluked' the coveted entrant number "057"! As a bit of extra luggage for all of his hard work, John had to take home a trophy for 2nd place Top Sedan.

There were plenty of high class machines and trailer queens on show. This Holden FX was a stunner

'Belt Sander' racing was a new event this year. There were plenty of different examples, including a Coca Cola Box, but this one was the coolest for sure!

Above: Frank Vittaco unveiled his re-vamped '57 4 door. It was nice when it was blue but it's even nicer now!

In all it was another fantastic show once again. Each year there are new cars and new features to attract the crowds. Can't wait for next year!

HISTORIC AND CONDITIONAL (MODIFIED) REGISTRATION

HISTORIC AND CONDITIONAL (MODIFIED) REGISTRATION INCLUDING 60 DAY LOG BOOK

To be eligible for historic & conditional registration you must be a member of an RMS approved automotive car club such as ours. Membership of our club is \$80 per annum.

Historic and conditional registrations are both eligible for the 60 day log book trial. The trial allows you to drive your vehicle on 60 individual days at your own discretion. Club events and club sanction runs do not impact on the 60 day log book use.

Fees for concessional registration are set by the RMS & are currently \$51 for registration including green slip plus a once off payment of \$40 for new plates. Conditional registration also attracts an additional annual fee of \$25 to the ACMC.

Personalised plates need to be surrendered, transferred, or placed on hold; the latter attracts a holding fee & any other ongoing rental costs. It is hoped that the RMS may allow personalised plates with conditional registration sometime in the future.

Historic registration (H Plate) is essentially for vehicles 30 years or older that have not been modified, some consideration maybe allowed for manufacture/dealer approved accessories, Limited safety upgrades and unavailability of original parts. In our club registration requires an annual Pink Slip.

Conditional registration (D Plate) is also available for vehicles 30 years or older that have been modified. The RMS have issued a set of guidelines (VSI No.6) that address many examples of what modifications may or may not require certification by an RMS certified engineer. For example an engine capacity increase greater than 20% or a total wheel and tyre diameter increase by more than 7% would require certification. Modified vehicles that do not need certification must have a once off Blue Slip, than an annual Pink Slip. Vehicles requiring certification require an engineer's report confirming the current modifications plus a Blue Slip, than an annual Pink Slip.

Please refer to the overleaf flow chart for further guidance and feel free to contact one of our three Plate Registrars for more information.

Kind Regards,

'55 '56 '57 Chevrolet Club of Australia.

The 55'56'57' Chevrolet Club Of Australia Inc. Process for conditional registration schemes

Regardless of whether you are renewing or applying for the first time for Historic or Classic vehicle registration before you proceed you must be a financial member of the Club, live in N.S.W. and hold current NSW drivers licence, the vehicle must be garaged in NSW

Thoroughly read all of the Roads and maritime services (RMS) rules pertaining to the conditional scheme to determine if your vehicle complies with their requirements that suit your vehicle check [RMS web site](#)
There are two conditional registration schemes that apply to our cars One is Historic vehicle scheme (HVS) Or two Classic vehicle scheme (CVS) vehicles must be 30 years old as per build date,
