Important Notice all 55,56,57 Club members

With **HVRS & CVS** Concessional registration schemes

We have noticed lately that there have been quite a few members not addressing their renewal of RMS Permits for registration until they are close to or overdue.

It would be remiss of us not to let you know if you drive your car after the due date that you are driving an unlicensed vehicle and there for liable for a fine if you are caught.

The RMS sends out renewal notice's one month before the due date and a notice of cancelation one month after that date so the responsibility is all on the operator (Owner) of the vehicle the correct original form (HVRS 1259) or (CVS1835) these must be dated 2019.

You are encouraged to obtain your pink slip well before the due date of your registration and once done it has an expiry use by date of 42 days after the date of issue,

So, it makes sense that you get prepared early for the renewal. Once you receive the renewal notice proceed to get your pink slip ASAP.

This gives you time if there are any repairs are needed, then TYPE in the left side of your original Historic 1259 or for Classic vehicle 1835, with your renewal notice and make arrangements with one of our plate registrars for a suitable time for them to sign off and apply the club stamp and signature. Or make arrangements to see one of them at our club meetings.

Gary Wright 0409 55 56 57, located Camden registrar 1@chevclub.com.au

Ken Taylor 0403 510 439, located Padstow registrar 2@chevclub.com.au

Aldo Mazzucco 0414 327 350, located Bexley registrar 3@chevclub.com.au

Once this is done for **Historic** vehicle's you now only have to go to the RMS with the 1259 form and the original pink slip and pay the due fee.

For **Classic Vehicle Scheme** you need to post the original 1835 form to the ACMC, or you can scan it and send it after its been filled in along with a copy of your pink slip (do not send the original pink slip you will need this when going to RMS to renew registration) and enclose a payment of \$30 by cheque or electronic transfer (no cash payment to be sent in post) to.

Attention the Secretary ACMC ; Mr Terry Thompson; Postal address; PO box 419 Bexley 2207. Banking details **Account number 157 374 299 BSB 633-108** and wait for ACMC return mail it should take around 5-7 days. If you don't receive it within 10 days please contact the plate's registrar as the ACMC will not notify you if there is anything wrong.

We repeat (do not send the original pink slip you will need this when going to RMS to renew registration). Then go to the RMS and pay the due fee.

Thank you Gary Wright, Aldo Mazzucco and Ken Taylor Club Plate Registrars.

PRESIDENTS REPORT

Hi Members

I would firstly like to thank all the members who came out to help set up at the Camden show, all of our sponsors, people who took photos, the judging panel, people cooking and selling, and I would also thank my family for all their hard work and support.

Wow what a show we had. It was an awesome turn out with cars, great weather and the list goes on. I would like to congratulate all the people who received a trophy and also the people that won raffle prizes.

We had to turn away many cars due to the space we had. We have spoken with council again and provided them feedback on the day, and they will be looking at giving us more space. We received a lot of positive feedback from entrants, spectators and visitors on how happy they were attending our show and will be back next year.

Our show will be on the 18th of October 2020. Location will be confirmed once we speak with council.

Bob Beer will be attending the next meeting to receive the donation from the Camden Car show "RSAC"

I had the opportunity to head to Chromefest, it has all changed from last year and we had to pre book to enter. There were a lot a great cars, some people were disappointed that some of the outstanding cars didn't get a trophy.

I will see you all at the next meeting please let me know if you are coming.

Thanks , John

EDITOR'S NOTES

Hi Cruisers,

I would firstly like to make a correction to last months magazine where I had Craig Hibberd as our new member feature. It is Greg Hibberd and my apologies for the confusion.

As John has already said, this years Camden Car Show was an outstanding success. Below is an email from Tyrepower Campbelltown, one of our valued long time sponsors..

I hope you enjoy the coverage of this years Camden Car Show on the following pages. The variety of cars was terrific and we look forward to planning next years event.

Happy Cruising

Ben

Tyrepower Campbelltown Sponsors Comments and Support for the 2019 Camden Car Show:

I would like to take this opportunity to congratulate both the organising committee and its members for hosting the Camden Car Show on Sunday 20th October 2019, as a member of the club and the owner of Tyrepower Campbelltown, and a sponsor/supporter of this event I brought along a couple of cars to display with my wife Brenda and my kids our son Bradley was excited as this was the first opportunity for him to show off his recently purchased WB Holden Ute. On arrival we were overwhelmed by the numbers of different makes of vehicles already on display from years gone by not just Chevrolets I believe there were around 300 cars on display for the event the club and all its members should be congratulated on hosting and running a very successful car show I look forward to supporting this event into the future.

Also being the sponsors of the major raffle prizes on the day I would like to congratulate the winner of the raffle prize Garry Tant also a club member.

Kind Regards

Tyrepower Campbelltown

CAMDEN CAR SHOW 2019.

Well after a year of rain delays, the Camden Car Show finally got to go ahead. The morning was crisp but with a full blue sky, the temperature was perfect for a car show. A healthy number of 567 club members arrived super early to help set up and get ready for the day. The onslaught of cars started earlier than advertised and the parking was handled well thanks to Brian D'Alfonso and his crew. The variety of cars makes that tuned up was great to see. There were 4's, 6's and 8's, turbo's, blowers and nitrous cars arriving as eye candy for all.

By 10 am the show and shine area was nearing capacity and more cars were still arriving. Additional area was utilized and another 60 cars were squeezed in. But the cars still didn't stop coming and unfortunately an estimated 60+ cars were unable to enter and had to find parking along the oval outside the grounds. The spectator traffic was also full on, with all aisles of the show at capacity for the majority of the day.

Paul from Sydney Lens was there bright and early and snapped some amazing shots of lots of cars. He really does have a way with the lens so look him up on Facebook if you are looking for some professional photos of your pride and joy.

HISTORIC AND CONDITIONAL (MODIFIED) REGISTRATION

HISTORIC AND CONDITIONAL (MODIFIED) REGISTRATION INCLUDING 60 DAY LOG BOOK

To be eligible for historic & conditional registration you must be a member of an RMS approved automotive car club such as ours. Membership of our club is \$80 per annum.

Historic and conditional registrations are both eligible for the 60 day log book trial. The trial allows you to drive your vehicle on 60 individual days at your own discretion. Club events and club sanction runs do not impact on the 60 day log book use.

Fees for concessional registration are set by the RMS & are currently \$51 for registration including green slip plus a once off payment of \$40 for new plates. Conditional registration also attracts an additional annual fee of \$30 to the ACMC.

Personalised plates need to be surrendered, transferred, or placed on hold; the latter attracts a holding fee & any other ongoing rental costs. It is hoped that the RMS may allow personalised plates with conditional registration sometime in the future.

Historic registration (H Plate) is essentially for vehicles 30 years or older that have not been modified, some consideration maybe allowed for manufacture/dealer approved accessories, Limited safety upgrades and unavailability of original parts. In our club registration requires an annual Pink Slip.

Conditional registration (D Plate) is also available for vehicles 30 years or older that have been modified. The RMS have issued a set of guidelines (VSI No.6) that address many examples of what modifications may or may not require certification by an RMS certified engineer. For example an engine capacity increase greater than 20% or a total wheel and tyre diameter increase by more than 7% would require certification. Modified vehicles that do not need certification must have a once off Blue Slip, than an annual Pink Slip. Vehicles requiring certification require an engineer's report confirming the current modifications plus a Blue Slip, than an annual Pink Slip.

Please refer to the overleaf flow chart for further guidance and feel free to contact one of our three Plate Registrars for more information.

Kind Regards,

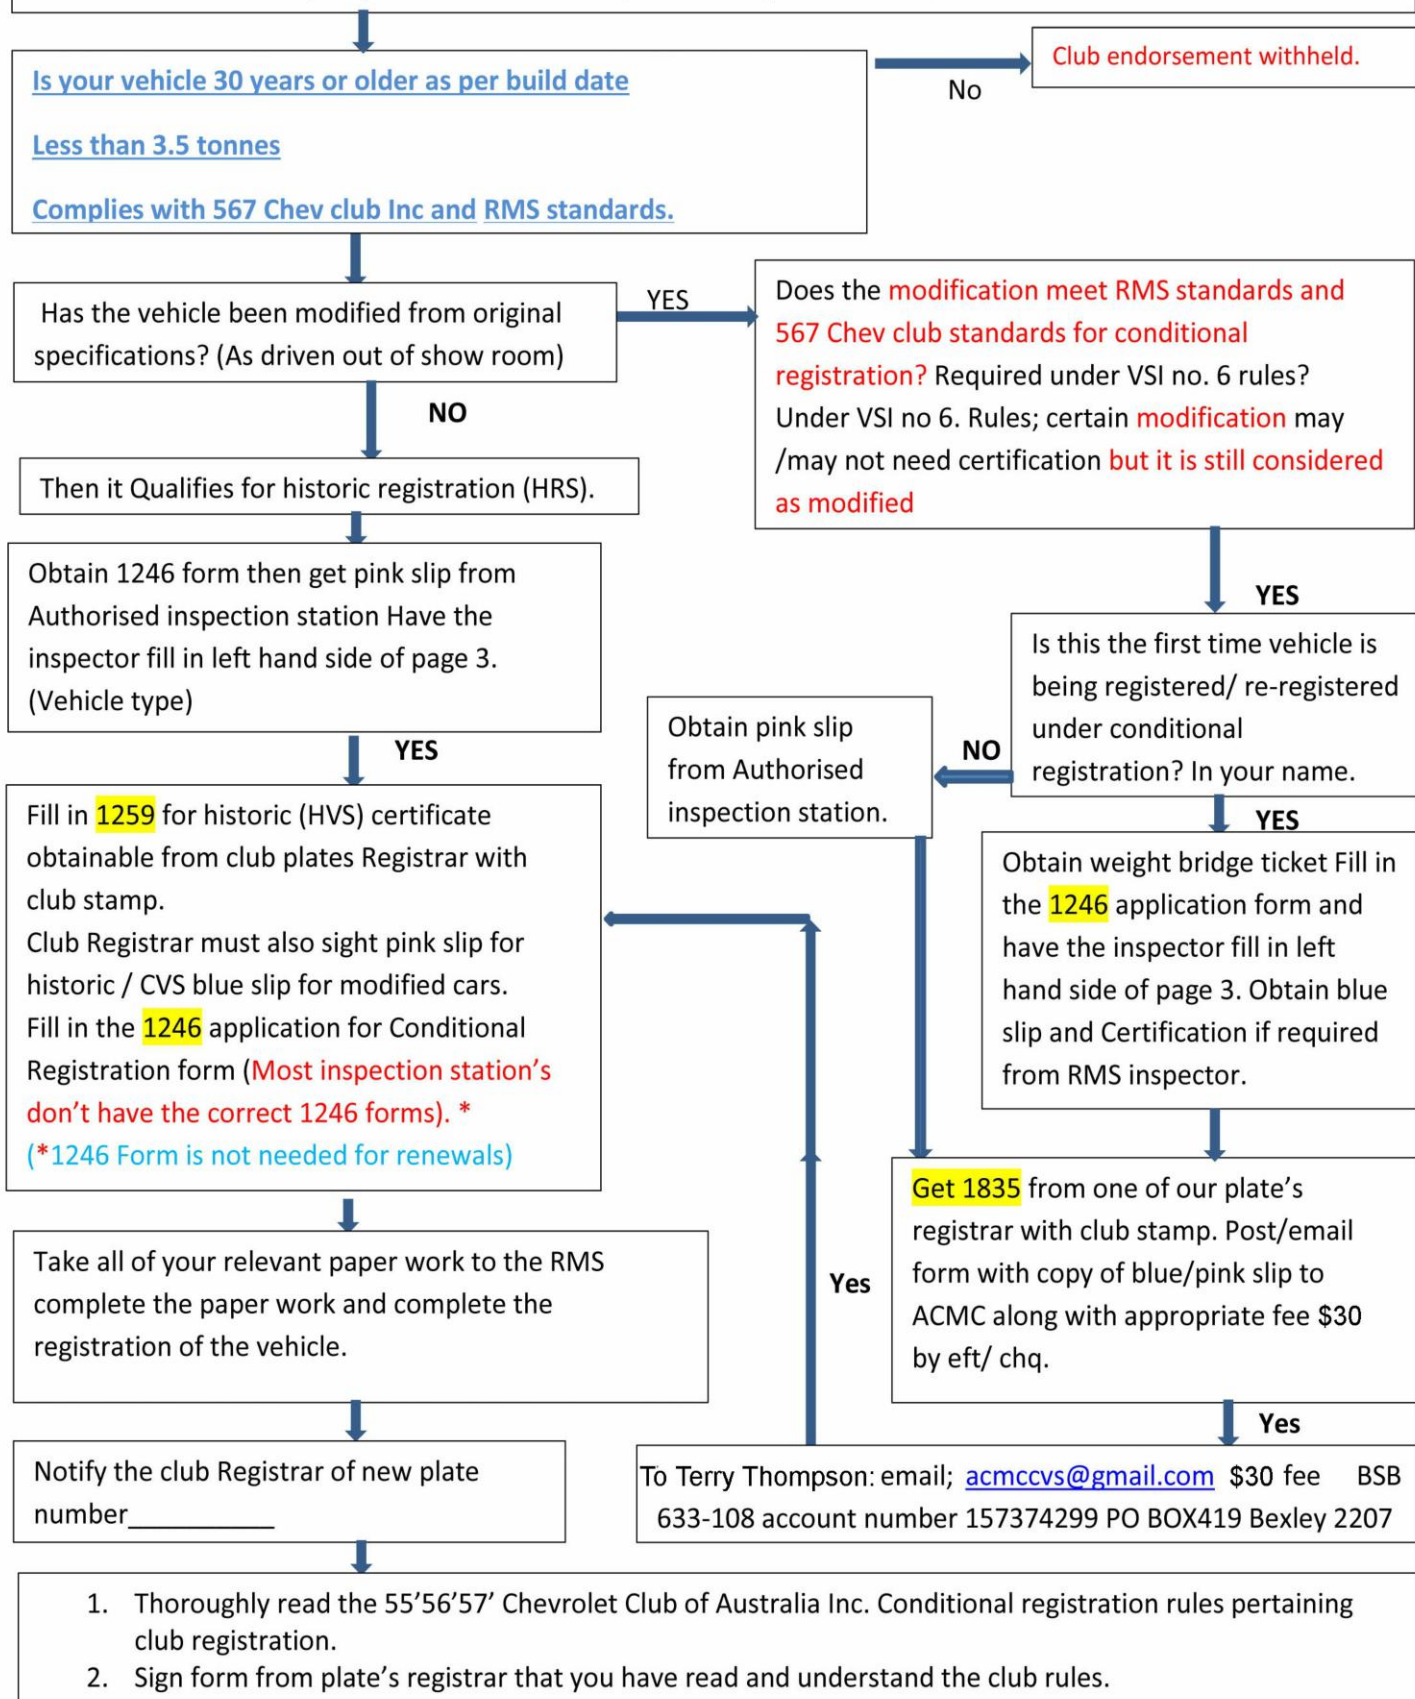

'55 '56 '57 Chevrolet Club of Australia.

The 55'56'57' Chevrolet Club Of Australia Inc. Process for conditional registration schemes

Regardless of whether you are renewing or applying for the first time for Historic or Classic vehicle registration before you proceed you must be a financial member of the Club, live in N.S.W. and hold current NSW drivers licence, the vehicle must be garaged in NSW

Thoroughly read all of the Roads and maritime services (RMS) rules pertaining to the conditional scheme to determine if your vehicle complies with their requirements that suit your vehicle check [RMS web site](#)
There are two conditional registration schemes that apply to our cars One is Historic vehicle scheme (HVS) Or two Classic vehicle scheme (CVS) vehicles must be 30 years old as per build date,
