CLUB REGISTRAR

Important Notice all 55,56,57 Club members

With **HVRS & CVS** Concessional registration schemes

We have noticed lately that there have been quite a few members not addressing their renewal of RMS Permits for registration until they are close to or overdue.

It would be remiss of us not to let you know if you drive your car after the due date that you are driving an unlicensed vehicle and there for liable for a fine if you are caught.

The RMS sends out renewal notice's one month before the due date and a notice of cancelation one month after that date so the responsibility is all on the operator (Owner) of the vehicle the correct original form (HVRS 1259) or (CVS1835) these must be dated 2019.

You are encouraged to obtain your pink slip well before the due date of your registration and once done it has an expiry use by date of 42 days after the date of issue,

So, it makes sense that you get prepared early for the renewal. Once you receive the renewal notice proceed to get your pink slip ASAP.

This gives you time if there are any repairs are needed, then TYPE in the left side of your original Historic 1259 or for Classic vehicle 1835, with your renewal notice and make arrangements with our plate registrar for a suitable time for them to sign off and apply the club stamp and signature. Or make arrangements to see Aldo at our club meetings.

Aldo Mazzucco 0414 327 350, located Bexley registrar 3@chevclub.com.au

Once this is done for **Historic** vehicle's you now only have to go to the RMS with the 1259 form and the original pink slip and pay the due fee.

For **Classic Vehicle Scheme** you need to post the original 1835 form to the ACMC, or you can scan it and send it after its been filled in along with a copy of your pink slip (do not send the original pink slip you will need this when going to RMS to renew registration) and enclose a payment of \$30 by cheque or electronic transfer (no cash payment to be sent in post) to:

Attention the Secretary ACMC; Postal address; PO box 328, Seven Hills NSW 1730. Banking details **Account number 1042 9978 BSB 062-452** and wait for ACMC return mail it should take around 5-7 days. Please use your last name and our club name for reference and email proof to CVS@ACMC.asn.au .Or in person with Maggie by **APPOINTMENT ONLY - 0429 311 754.** We repeat (do not send the original pink slip you will need this when going to RMS to renew registration). Then go to the RMS and pay the due fee.

Thank you

PRESIDENTS REPORT

Hi Members,

This year's Camden Car Show was a huge success (after a 3 year break because of Covid and the floods in Camden).

We had a lot of positive feedback from the public and from social media, however some people were not happy about the show being split over the two oval fields. We want to assure everyone that we had to follow Camden Council rules and protocols and they would not allow us to hire the large cricket field where we hosted previous shows.

We just want to say thank you to Camden Council for allowing us to hold the show this year and hopefully next time we can all be together on the one oval.

We sincerely want to thank everyone for their generosity and kind donations to help raise money in order to purchase hospital equipment and furniture for the 5C Cancer Ward and Step Down at Liverpool Hospital.

We are happy to let you know that the Club will be donating \$15,000 dollars worth of hospital equipment and furniture to assist the Cancer patients and to make their stay more comfortable.

The Club would also like to thank all the members, family and friends who helped out on the day. We could not have done it without you and thank you again for making the day run so smoothly.

Some Club members went to Chrome Fest at The Entrance on October 29. It was a good day out and there was a great selection of cars.

Hope to see you all at the next Club meeting. Could you kindly let me know if you will be attending so I can organise the food and drinks.

Please note that we are having a Club run on Saturday, 18 November at 6:00pm at night to Carl's Junior Burgers - Northern Road, Bringelly. It's next to the BP Service Station. We will all meet there for burgers.

2023 CAMDEN CAR SHOW

Well after 3 years we have arrived to see a great day dawn. Covid, family issues and rain all caused issues in the last years and now after much frustration with Camden Council and the final verbal agreement was granted for the day on Friday.

The day was clear and a little cold at 6.00 am in the morning when we all arrived at the gate John had the key and we entered the park enmass.

There were plenty of helpers. Aldo managed the gate, John and Peter Fenato set up the BBQ and main tent area along with a gaggle of helpers. There were other trade stands as well. We had arranged for the following, a coffee man, Ice-cream van, Pizza van, Fish n Chips van, Model Car seller, Clothing sales area, and the Shannon's tent. Ben Marks was also there selling the best automotive polish in the world with Georgia's help.

The day went fairly smoothly, the BBQ tent ran out of cooking, the drinks just held out. The only problem we seemed to have was entry delays and the oval parking issues that will be brought up at the next committee meeting, with suggestions for a better arrangement for next time. Bevan helping Aldo at the gate had to sort the traffic jamming up out to where the round- about was at the park entrance. There was only 1 lane, that was converted to 2 entry lanes. The side parking area was opened up and that took the overflow.

The judging sheets were handed in by the entrant's and the tallying was done with the help of Aldo's wife "Darts", who took control of the system that she had designed, all worked well and the judging sheets all tallied up. At the right time John McCoy Lancaster announced that the awards were being done, Adriana was asked to tell her story about last year spending 30 weeks in Liverpool hospital, along with the head nurse they helped with the announcements. The trophies looked great as model diorama's featuring topical cars of the day, including motor bike awards as well.

There was an issue due to the main oval parking not being planned properly.

Because of this we turned away a lot of entries and parked them in the excess space, and not charging for some of the entries was seen as not fair. We received a few complaints due to this.

As a suggestion for next year, to be discussed at committee level, I will arrange to purchase builders spray pressure pack paint cans to mark out parking rows. This will then regiment the area so that more cars can be parked in. In a more orderly manner.

After the event closed we all cleaned up the area to leave it as clean as we found it , stacking the bins, making sure that there was no litter, packing up the cars and trailers with Stephens truck full of stuff.

Both the Tres Aldo and assistant Tres Adriana made sure the funds were locked up and then to be taken back to John's place for safe keeping. Arrangements to count the funds and Aldo then would bank the income as normal.

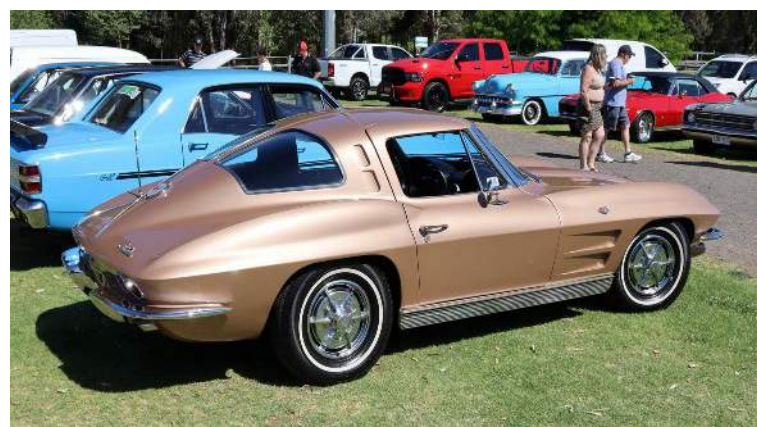

The gate keys to be returned to council on Monday.

Planning for 2024 show will now start all over again.

Thanks to Sydney Lens & Averjence Ocular Photography for these great pics from the show. We really appreciate you guys being there and sharing these pictures to our Facebook page for allof us to enjoy.

Chromefest 2023 was held from October 27-29 at The Entrance, on the usually beautiful central coast of NSW. Unfortunately, Friday and Saturday were cold with high winds and rain for most of the days. Sunday turned on better weather for the car show in the main oval on the waters edge. Cars of all varieties rolled in however the numbers were down. Live bands playing Rock n Roll music were on every second corner and the main dance floor was a popular hangout.

HISTORIC AND CONDITIONAL (MODIFIED) REGISTRATION

HISTORIC AND CONDITIONAL (MODIFIED) REGISTRATION INCLUDING 60 DAY LOG BOOK

To be eligible for historic & conditional registration you must be a member of an RMS approved automotive car club such as ours. Membership of our club is \$80 per annum.

Historic and conditional registrations are both eligible for the 60 day log book trial. The trial allows you to drive your vehicle on 60 individual days at your own discretion. Club events and club sanction runs do not impact on the 60 day log book use.

Fees for concessional registration are set by the RMS & are currently \$51 for registration including green slip plus a once off payment of \$40 for new plates. Conditional registration also attracts an additional annual fee of \$30 to the APMC.

Personalised plates need to be surrendered, transferred, or placed on hold; the latter attracts a holding fee & any other ongoing rental costs. It is hoped that the RMS may allow personalised plates with conditional registration sometime in the future.

Historic registration (H Plate) is essentially for vehicles 30 years or older that have not been modified, some consideration maybe allowed for manufacture/dealer approved accessories, Limited safety upgrades and unavailability of original parts. In our club registration requires an annual Pink Slip.

Conditional registration (D Plate) is also available for vehicles 30 years or older that have been modified. The RMS have issued a set of guidelines (VSI No.6) that address many examples of what modifications may or may not require certification by an RMS certified engineer. For example an engine capacity increase greater than 20% or a total wheel and tyre diameter increase by more than 7% would require certification. Modified vehicles that do not need certification must have a once off Blue Slip, than an annual Pink Slip. Vehicles requiring certification require an engineer's report confirming the current modifications plus a Blue Slip, than an annual Pink Slip.

Please refer to the overleaf flow chart for further guidance and feel free to contact our Plate Registrar for more information.

Kind Regards,

'55 '56 '57 Chevrolet Club of Australia.
