PRESIDENTS REPORT

Presidents Report November 2015

Greetings to you all,

On the morning of the Camden Car Show, I woke up, and for the first time, it was raining. An executive decision was eminent, but we pressed on. As we got closer to Camden, the heavens were kind to the club, and the rain had stopped.

With a contingency of black and gold shirts, we collectively set up for what was to be, another very good Camden Car Show. Numbers were down slightly, due to the overcast weather, but we still managed to get 212 cars through the gate, which obviously says that we are doing something right, if that many people were prepared to come, considering the threat of rain.

This year's charity organisation, RSAC, was very happy with the success of the gate takings and their raffle sales, and we will be presenting them with a cheque for \$1,500 at our December meeting.

As president, I would like to thank all members and their families, and I would also like to thank my family for all of their hard work and support, on making my job with the show easier.

P.S. The El presidente is now a celebrity, and was aired on TV at Motorex, so please do not rush me for autographs.

John Fenato

President

55 56 57 Club Of Australia

Sponsors Dinner Update

Due to a double booking of the hall, the sponsors dinner has been postponed until April 2015....More info to come soon.

MINUTES

478th Meeting of the 567 Chev Club

Meeting Opened: 7:47pm

Date: 13 Oct 2015

Apologies: Terry Burrows, Troy Tarpy, Tony Briffa, Shane Plumridge

Visitors: None

New Members: None

Previous Minutes: September 2015

Accepted By: Ken Taylor

Second By: Aldo

Treasures Report: 13 Oct 2015

Accepted: Rick May

Second By: Gary Wright

Events: See the events page in the magazine and your E-Letter

Correspondence:

- Camaro Firebird Club September 2015
- WA Chev letter September 2015
- 55 56 57 Chev club of Victoria September 2015
- Pony Express September 2015
- CCSC Oct. Newsletter

General Business:

Apologies from our two intended visitors who were to talk about new limited registration proposal; this presentation will now be held at our next meeting.

Sponsors dinner now is 2nd April 2016, hall was double booked, when offered the new date of 21 Nov, the committee decided this would clash with too many commitments that members would have made leading up to Christmas.

Kiama weekend is on for next year as previously reported, any person wishing to go needs to speak with John, with your deposit to be paid in Dec.

Gary Wright has asked that the club include the constitution and ABN in the magazine.

MINUTES

Gary Wright has nominated himself and been voted in as the designated club registrar for modified registration on behalf of the club, there is a requirement to have three members to assist in this process, these members must come from a qualified motor mechanic trade background, and the three members are Aldo, Ken Taylor, & Denis Taylor.

Charlie has suggested that the club does not go ahead with the register of plates as he believes it will bring too many members only wanting to join for the rego, and would not participate in club events, thus being of no benefit to the club.

John has indicated that he believes that the club should hold back any decision until the November meeting has been held.

Aldo advises that if the club should commence the process as he feels that the process can take three months to go through, better to start now and get a head start.

If the club does go through with the club registration members are advised that their cars must obtain a yearly pink slip.

Final word, the members present were asked to vote on getting the process underway for club plates, a unanimous vote was passed.

Any person wishing to purchase a 1948 Chev please give Steve Taylor a call on 0412 664 571

Sponsors News: None

MEETING Closed at: 9:05

Next Meeting to be held: Tuesday 10 Nov 2015

Camden Car Show

Camden, what can I say... Some people complain that Camden is too far, too hot, too this, too that, but one thing is certain.. So far Camden has never let us down. No matter if it is hot and sunny, or completely overcast, it has never yet rained us out, and we always get a good number of cars.

Even this year with the threat of rain in the morning, and although it may not have been raining in Camden, it was raining in many other parts of Sydney, people love our show enough, to still bring their cars out ven with the threat of rain.

This year saw us a little down on numbers to other years, but we still had a pretty good turn out with 214 cars of all makes and models, and once again, the quality cars shone through.

We had everything from rat rods and original classics right through to muscle cars and big dollar show cars, all of which were driven with the exception of one very nicely patina'd up 55 Chevy which was unregistered.

It was nice to see the usual army of club members on hand helping out (although it would be nice to see some of

our other members who turn up to the show volunteer their help for a few short hours). We had 20 or so members on hand helping with the initial set up, which went extremely smoothly this year, which means we must be starting to get good at this by now..

As is usually the case, it wasn't long after setting up that the cars began rolling in in a steady stream.
